Chief of Station,
Attn: Comptroller
Deputy Comptroller

Administrative

Property Authorization

Reference:

1. Reference dispatch indicates in paragraph 3 that combined station property issues amount to roughly \$7,000 per month. The schedules of actual issues by the three bases attached to reference, however, indicate average monthly issues of approximately \$25,500.

2. Inasmuch as we cannot reconcile these 2 amounts, we shall appreciate your comments relative thereto.
